ProForm[®] Carbon CX Exercise Bike

Short Description:

Get a complete fitness experience with interactive personal trainers in your living room. The Carbon CX exercise bike from ProForm[®] gives you everything you need to get started. Train stronger with two included 3 lb. dumbbells that will help you work your upper body. And cycle in comfort with a fully adjustable seat that fits you perfectly.

Features:

iFIT® Bluetooth®§ Smart Enabled*

Connect your phone or tablet to the Carbon CX exercise bike via Bluetooth to gain full access to streaming interactive personal trainers that guide you through global and studio workouts, controlling your machine's resistance along the way to give you the training you need.

 $\ensuremath{\S}\xspace{\ensuremath{\mathsf{Machine}}\xspace}$ connects to tablet via Bluetooth $\ensuremath{{}^{\ensuremath{\mathbb{R}}\xspace}\xspace}$ and does not contain Bluetooth audio speaker.

*iFIT experience shown. Internet and Wi-Fi required. iFIT membership activation requires credit/debit card and autorenews for fee. Cancel at anytime.

Large LCD Window Display

We know when you've made up your mind about getting fit, you mean business. So we made sure your workout stats are right in front of you as you work out. That means you can watch your mileage, speed, calorie burn, heart rate, and time add up.

Two 3 lb. Dumbbells Included

Work your entire body with the two included 3 lb. dumbbells. When training with iFIT, some trainers will have you use these dumbbells for an added boost of muscle tone.

16 Levels of Resistance

With 16 digital resistance levels you can start out easy and progress to intense. Each level is smooth, frictionless, and silent with our patented SMR[™] Silent Magnetic Resistance, which allows you to adjust your training intensity without interrupting your workout or anyone around you.

Inertia-Enhanced Flywheel

Experience a smooth, steady pedal stroke with the flywheel made to perform. A faster gear ratio and effective weight placement deliver a more natural striding experience.

High-Quality Welded Steel Frame with Enhanced Corrosion Resistance

Expertly made with a welded steel frame, this exercise bike is built to last. With an additional enhancement of corrosion resistance, your training will last for years to come.

Pedals with Toe Clips and Straps

Designed to keep your feet in place, these pedals are built with adjustable toe clips and straps to increase stability.

Adjustable, Oversized, Cushioned Seat

We've learned that the best fitness experience is all about the details. With the Carbon CX, you aren't just working out, you're enjoying a comfortable ride. Our oversized seat has added cushioning and easily adjusts horizontally and vertically so you find the perfect fit.

Integrated Device Shelf

Make fitness time multi-tasking time. This device shelf keeps your tablet secure and conveniently close so you have access to all your training tools and entertainment must-haves.

Water Bottle Holder

Stay hydrated throughout your workout by keeping your water bottle close. This convenient water bottle holder is built into the bike frame for easy access.

Front-Mounted Transport Wheels

Moving this bike out of the way is fast and easy with the front-mounted transport wheels.

Large, Adjustable Leveling Feet

Keep your bike stable on an uneven surface with these large, adjustable leveling feet.

250 lb. Weight Capacity

This exercise bike accommodates up to 250 pounds.

Warranty

We want to help you protect your investment. That's why we try to go above and beyond with our product warranties. The Carbon CX is protected with a 10-year frame warranty and a 1-year parts and labor warranty.
