- Hopper Capacity: 25.8 lbs of Wood Pellets
- Easy-Access Hopper
- Easy-to-Clean Porcelain Grill Grates
- Stainless Steel Side Table
- Solid bottom shelf for additional storage
- Upgraded 4 Locking Caster Wheels
- Slide-Plate Flame Broiler
- Power: Corded Electric 250W DC

KEY FEATURES

 MOUTHWATERING CONSISTENCY: The wood-fired grill delivers a powerful grilling experience for a true outdoorsman, perfect for searing fish, grilling game, smoking jerky, and more. Ultimate 8 in 1, hot and fast or low and slow. We recommend all-natural ASMOKE applewood pellets to achieve a rich mouth-watering flavor.

 LARGE COOKING AREA AND HOPPER CAPACITY: 484 SQ.IN. Main rack + 216 SQ.IN. insulation rack, totaling 700 SQ.IN. Comes with a 2-in-1 stainless steel side shelf, ideal for a large 3-12 group party. Whopping 25.8LBS hopper capacity ideal for continuous smoking.

 INNOVATIVE TECHNOLOGY: Advanced auto pellet feed system and heating fans maintain temperatures from 180°F to 500°F. Just dial the knob to your desired temperature.

 NO FLARE UPS: Proprietary internal design with patented stainless steel slide-plate flame broiler supports either direct or indirect heating, ensures safety during grill, and even heat distribution.

 3+2 YEAR EXTENDED WARRANTY - BUILT TO LAST: Heavy-duty steel construction with UL Certification, porcelain-coated cast-iron cooking grids with FDA Certification, built to withstand all the elements and prevent rust
