PREMIUM PICTURE.

TCL's 5-Series QLED TV marries premium picture and endless entertainment for a stellar home theater experience. Quantum Dot technology and the HDR Pro Pack with Dolby Vision combine for greater brightness and contrast, as well as a full palette of rich colors. TCL's Contrast Control Zone technology optimizes the image across individual zones to yield striking contrast between light and dark areas. AiPQ Engine™ technology uses machine-learning algorithms to intelligently enhance color, contrast, and clarity, as you watch for an unrivaled 4K HDR experience. You will be ready to play with Variable Refresh Rate for smooth, synchronized graphics and Auto Game Mode which

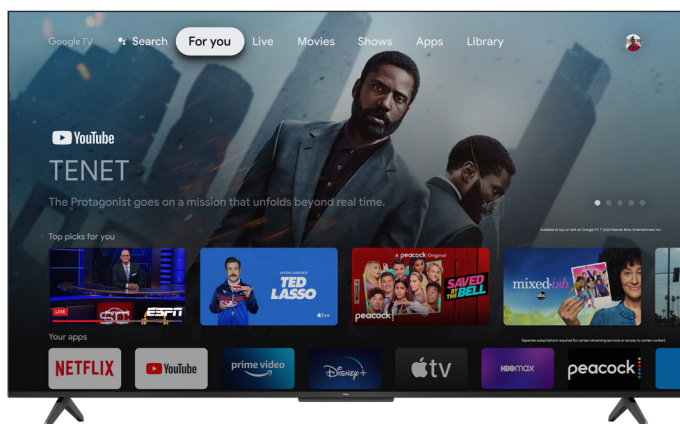

adjusts picture settings for an optimized fast-response gaming experience.

Google TV brings together movies, shows, live TV and more from across your apps and subscriptions and organizes them just for you. Discover what to watch next with recommendations based on your current favorites and what interests you. Enjoy easy home control and entertainment, without lifting a finger. Turn on the big game. Dim the lights. See who's at the front door. All without having to ask, "where's the remote control?" That's the magic of hands-free voice control.
