STUNNING PICTURE.

The TCL 4-Series Roku TV offers stunning 4K picture quality with four times the resolution of Full HD for enhanced clarity and detail, as well as endless entertainment with thousands of streaming channels. High dynamic range (HDR) technology delivers bright and accurate colors for a lifelike viewing experience. In addition, your favorite HD shows, movies, and sporting events are enhanced to near Ultra HD resolution with 4K Upscaling. Your favorite broadcast TV, streaming channels, gaming console and other devices are front-and-center within a simple, customizable home screen. There's no more flipping through inputs or wading through complicated menus. The super-simple remote—with about half the number of buttons

on a traditional TV remote—puts you in control of your favorite entertainment and includes one-touch shortcuts to popular channels like Netflix.

With Roku TV, America's #1 streaming platform, you have seamless access to free TV, live news, sports, movies, and more. Easy Voice Control lets you control your entertainment using just your voice. Cord cutters can access free, over-the-air HD content thanks to the advanced digital TV tuner with live channel guide or watch live TV from popular cable-replacement services like Sling, Hulu, fuboTV and more. The TCL 4-Series Roku TV is your easy way to endless entertainment.
