Galaxy A13 5G

Fast productivity for the entire team

Affordability doesn't have to mean compromise

Sleek style, durable function

- Sleek design appropriate for any professional setting
- Affordable yet durable

See your business edge-to-edge

- 6.5" HD LCD delivers bright, beautiful images, videos and conferencing
- Infinity Display delivers information edge-to-edge
- 90Hz Seamless Display features a fast refresh rate for smooth-as-silk video

Capture business in high res

- Sharp videoconferencing, crisp photos and videos, easy QR and barcode scanning
- Triple-lens camera: Main 50MP, Macro 2MP, Depth 2MP
- Front 5MP

A phone that's always ready to work

Enter the fast lane with 5G

- 5G delivers ultrafast speeds and the ability to connect on videoconference calls with virtually no lag^{1,2}
- Connect securely and reliably without the need for Wi-Fi.
- Using 5G instead of public Wi-Fi adds a layer of security.

A battery that works overtime

- Long-lasting battery adapts to your unique usage to optimize battery life
- Fast Charging will have you back up and working quickly³

Expand your business horizons

- 64GB of internal memory, expandable to an additional 1TB with microSD card⁴
- Plenty of space to keep your important information with you

It's the complete package

The business day in sync

- Galaxy ecosystem allows you to work seamlessly across your phone, tablet and laptop
- Connect Galaxy Buds Pro and smoothly switch from video conferences to connecting with colleagues
- Quick Share allows you to transfer large files instantly
- Four years of OS upgrades included

We're serious about business security

- Knox helps protect your business data with multilayered security
- Secure Folder keeps your personal apps and data separate from work⁶
- Private Share lets you set time limits or expiration dates on shared files
- Four years of Security Maintenance Release updates included

Total care, total reassurance, total control

- Samsung Care+ for Business offers an extended warranty,⁷ coverage for accidental damages, and hassle-free device repairs
- Real-time support from dedicated technical specialists and professional engineers can assist you with everything from device deployment to expedited exchanges

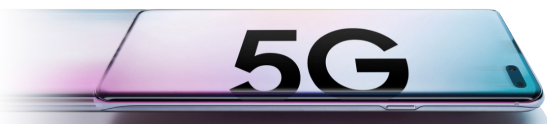

Unlock greater flexibility

Unlocked Galaxy A13 5G smartphones

- Choose your carrier, or choose no carrier⁵
- No carrier apps pre-loaded, so Galaxy A03s smartphones perform at peak efficiency

¹Requires optimal 5G network connection, available in select markets. Check with your carrier for availability and details. Download and streaming speeds may vary based on content provider, server connection and other factors. ²5G speeds vary and require optimal network and connection (factors include frequency, bandwidth, congestion); see carrier for availability. ³Chargers sold separately. Fast Charging capacity requires a Fast Charger. Supports up to 15W Fast Charging. Higher watt charger charges at lower watt device capacity (e.g., 25W Fast Charger will charge Galaxy A13 at 15W capacity). Use only Samsung approved chargers and cables. To avoid injury or damage to your device, do not use incompatible, worn or damaged batteries, chargers or cables. For more information on your device, please visit samsung.com. ⁴MicroSD card sold separately. ⁵5G: This device is compatible with mmWave, Sub-6 and C-band 5G networks. LTE: This device will work on any compatible LTE network. Wireless voice, data and messaging services are compatible with most GSM networks such as AT&T and T-Mobile and CDMA networks such as Verizon, Sprint and US Cellular. Support for certain rate plans, features and services such as VoWiFi and hotspot vary by wireless service provider. See provider for details. ⁶Total amount of available memory may be less based on configuration. ⁷Portion of storage occupied by existing content. ⁸To recall messages sent through the Private Share app, both the sender and receiver must have a Galaxy mobile device with Android 9 or later and the Private Share app. ⁹All other products and services (such as Extended Warranty) have up to three years coverage. Sales can request special pricing or contract terms through Samsung's Special Price Authorization (SPA) process. ¹⁰Total amount of available memory may be less based on configuration. ¹¹Portion of storage occupied by existing content.
