GEL MEMORY FOAM

High performance gel-infused memory foam that provides comfort by adapting to body weight and lowering body temperature.

CertiPUR-US® CERTIFIED

Contains certified flexible polyurethane foam.

FOAM

A mattress built using foam core, which provides quiet, firm support and reduces motion and height.

FOAM-ENCASED EDGES

A foam edge provides quiet perimeter support, increased sleep surface, and a firm seating edge.

ADJUSTABLE FRIENDLY

A mattress compatible with an adjustable base. Controls comfort and support with personalized positions for sleeping, watching TV, or reading. Can also reduce snoring and acid reflux.

FOUNDATION

Standard 9" profile or 5" low profile. Solid wood base that extends the life and improves the performance of the mattress.

MADE IN WISCONSIN

Handcrafted in Two Rivers since 1984.

WARRANTY

Supported by an industry-leading manufacturer's warranty.
